Expound+

Israel is known as "The Start Up Nation"

An innovative entrepreneurship program is now available that will connect you with some of the most amazing innovation in the world. You will meet other entrepreneurs and learn how the Jewish people do business. As Israel is the ancient land of the prophets, you will have a unique experience as you learn how the bible and faith intersects with business success. You will learn from key thought leaders, visit operational accelerator and business incubators and your field trips will cause you to travel back in time to the days when the bible was written. This 3 week learning experience you will never forget! Costs and booking see Expound website.
